The image shows the exterior of a modern building, identified by the text as the Biloxi Schools Performing Arts building. The building features a prominent red horizontal band across the top and a large glass facade on the left side. The glass reflects the dark sky and some interior lights. To the right of the glass, the words "BILOXI SCHOOLS PERFORMING ARTS" are displayed in large, white, illuminated letters. The building is set against a cloudy sky, and the foreground consists of a dirt or gravel area. A concrete sidewalk runs along the base of the building.
