

ANNUAL SPONSORSHIP PROGRAM

2021

Show Your Support for your AGC!

I think we are all ready to usher 2020 out the door and start moving toward some normalcy as we move into 2021. The support we have had from our Members and Sponsors during this crazy year has been nothing short of amazing. As we enter 2021, we hope we can count on your continued support. We are keeping our meetings, training and events virtual through the first quarter of 2021 and then, hopefully, we can start moving toward more face to face networking. It will be great to get together in person once again!

AGC of Mississippi offers numerous ways to market your firm. Our most popular way is our Annual Sponsorship Program. TITLE, FEATURE, PARTNER or SUPPORTER levels are available and include complimentary Annual State Conference registration(s).

Networking and Event Sponsorships are available throughout the year at our popular Drop-In Socials and Networking Events — Membership Luncheons, Membership Dinners, Food & Festival Events, Tournaments and more. These are great ways to get your name out and stay in the minds of your clients and prospects.

Our 2021 Sponsorship Opportunities, the 2021 Sponsorship Commitment Form and our 2020 Sponsor list are attached. Please call (601-981-1144) or email Jessica Housdan, Director of Member Services, jessica@msagc.com for sponsorship questions or Sonya Mullins, Director of Office Administration, sonya@msagc.com for billing questions and options.

Thank you for your continued support for AGC Mississippi and Mississippi's Construction Industry!
